

MicroFIT Update For Solar Professionals

A one day training event for the 2010/11 MicroFIT Program
September 15th

The Province of Ontario's MicroFIT program was launched in Oct 2009, and already 1000's of applications have been filed. 2010/11 show fantastic promise as customers discover the Feed-In Tariff and the attractive rates of return.

Home Energy invites Ontario electricians and engineers to join us for a one-day event in Vaughan (Sept. 15th) where you will have a chance to get the latest updates in program rules, technology and installation practices from a variety of industry experts. Manufacturers will be introducing more powerful inverters with Ontario content and new Made in Ontario mounting solutions to help your business be a local MicroFIT leader. We'll also cover the rule changes from the OPA, and review installation issues from permitting through connections.

Come network with industry professionals, manufacturers and other installers. Attendance is limited.

Including:

- Detailed MicroFIT Systems & ROI Review
- Overview of what is new with the OPA
- Install Issues, Permits and Ontario Electric Code
- The latest Panels, Mounts and Inverters
- Inspection, FIT paperwork and applications
- 124 page HES FIT Solar Manual Included

Who should attend:

- Electricians & Engineers
- Solar professionals looking for Grid-Tie experience
- Home service businesses looking to expand their opportunities

When: Wednesday September 15th – Vaughan On.

Where: Vaughan On – The Hilton Garden Inn – A Discounted rate of \$129 a night has been arranged for all HES guests. Call 1.888.269.4115 to book.
